Text Investigation

Instructions: Carefully read through the text and hunt for any information that may be inaccurate, such as dates, facts, or names. Then, for each discovery you make as you read, answer the following questions:

- What information seems incorrect?
- Why do you think it should be changed?
- How would you fix it?
- What source did you use to check your answer (Britannica or another reference site)?

The Case File

Text title: _____

Investigation Notes and Evidence Collection

Clue #1

What I noticed	
My evidence	
My suggested correction	
Source checked	

Clue #2

What I noticed	
My evidence	
My suggested correction	
Source checked	

Text Investigation

Clue #3

What I noticed	
My evidence	
My suggested correction	
Source checked	

Partner discussion: Compare findings with your investigation partner.
