

Research Questions

Choose a Topic

Topic: _____

K	W	L

Write a Question

In the space below, write a question that is:

- **Engaging:** You want to know the answer.
- **Researchable:** It can be researched effectively with the available time and resources.
- **Relevant:** It is directly related to the topic of interest.
- **Significant:** It would contribute to a deeper understanding of the topic.

Question: _____

Evaluate and Refine

Is your question:

- Clear?** The question should be easily understandable. Avoid vague or unclear words or phrases.
- Focused?** The question should be specific and focused on a particular part of the topic. It should not be too broad.
- Complex?** The question should be open-ended, detailed, and allow for deep research and thinking. Avoid questions that can be answered with just yes or no.
- Interesting?** The question should be interesting to you. Choose a question you want to know the answer to.

Refined Question: _____

Name: _____

Date: _____
