

Discussion Planning

Select a Video

Choose a video that

- ✓ Is related to the topic of study
- ✓ Reveals or highlights something interesting about the topic of study
- ✓ Could lead to an interesting discussion about the topic of study

Title: _____

Notes

Take notes on what you see, hear, feel, and learn while watching the video.

Name: _____

Date: _____

Discussion Plan

1. Introduce the Video

Write a one- or two-sentence introduction for the video. Preview what the video is about without revealing too many details.

2. Play the Video

3. Ask Discussion Questions

To highlight:

List the main points you want to highlight about the video.

I'll ask:

Write one or two questions you can ask the group to guide discussion about each point.

4. Summarize the Discussion

Write a brief summary of the video, highlighting the following:

- The points you listed above
- How the video contributes to an understanding of the topic
- Something you are interested in learning more about
