

Famous Pilots: Research Guide

Instructions: Research a famous female pilot using Britannica School articles and a school-approved search engine. Then answer the questions. Record your sources on the back of this handout.

© Encyclopædia Britannica, Inc.

1. Which famous pilot did your group choose?

2. Describe her early life. How did she become interested in aviation?

3. What are her major career accomplishments?

4. What is her greatest legacy and impact on society? How did she break barriers?
