

# Career Strategy Tracker

**Instructions:** Work as a team to navigate career scenarios, make strategic choices, and track your progress.

**Team Name:** \_\_\_\_\_ **Assigned Career Focus:** \_\_\_\_\_

## Scenario 1: Education and Training

Your team must decide how to prepare for your career. Do you choose:

- Four-Year Degree
- Trade School
- Entry-Level Job or Apprenticeship

Decision: \_\_\_\_\_

Why did your team choose this path?

---

---

---

---

## Scenario 2: First Job Opportunity

Your team has completed your training. You now have two job offers:

**Job A:** High salary but little growth

**Job B:** Lower salary but strong mentorship and skill-building

Decision: \_\_\_\_\_

Why did your team choose this job?

---

---

---

---

---

---

**Name:** \_\_\_\_\_

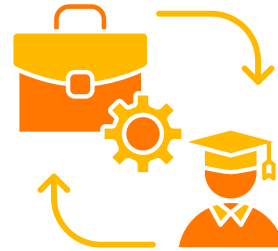

**Date:** \_\_\_\_\_

## Career Strategy Tracker

### Scenario 3: Unexpected Challenge

A major change happens in your industry, and your job is affected. What's your next move?

- Go back to school for more training
- Start networking to find a new opportunity
- Pivot to a different career field

Decision: \_\_\_\_\_

Why did your team choose this response?

---

---

---

---

### Final Reflection

Discuss as a team and write your responses below:

1. What was the hardest decision? Why?

---

---

---

---

2. Would you change any of your choices? Why or why not?

---

---

---

---

3. What is one key lesson your team learned about career planning?

---

---

---

---
