

Work the Strategy

Work with your group to answer the following questions:

Group number: _____

Assigned strategy: _____

© Creative Images/stock.adobe.com

1. As a group, explain what your assigned strategy means in your own words.

2. How is your group applying your assigned strategy to learn more about what's behind the post—such as its source, its purpose, or how it might influence people?

3. Why might someone be misled by this post? What factors make it feel convincing?

4. How could this strategy help someone stay in control when using digital tools?

5. What advice would you give to a friend who's not familiar with this strategy?
